Believe it or not, Thanksgiving is three days away. And that means that Christmas - and the holiday shopping season - is just around the corner. If you'd like to avoid the mobbed shopping malls and jammed parking lots this year, here are a few Web sites that promise to make your gift buying a lot easier:

Start with The All-Internet Shopping Directory at (<http://www.webcom.com/-tbrown/>) for a listing of virtual shopping sites on the Web.

Fill your virtual shopping cart with products from more than 60 companies at the Shopping 2000 Web page at (<http://www.shopping2000.com/>).

If you're a member of America Online, you can visit their Marketplace on America Online. Keyword: Marketplace.

Check out the Electronic Mall on CompuServe for a huge selection of products from hundreds of stores. On CompuServe, GO SHOPPING or point your Web browser at (<http://www.compuserve.com/homepage.html>).
